

This coming term will be my third and final term as the President of SRC.

If the last two terms were about resetting and rebuilding, this coming term will be about regrowing.

If you have been an active member of the club, you must be impressed with the positive transformation thus far.

A testament to our Transformation Plan.

In this regrowing phase, we shall refine service delivery to deepen members' relationships through more intentional programming that caters to our diverse membership.

This is also the phase when the 12 Good Men will build a younger team to continue strengthening the strong foundation and growing what we have painstakingly planted.

There is still a lot of work to be done, and the 12 Good Men will need a strong mandate to achieve these goals.

So come 25th April, we will need fellow members to vote the 12 Good Men into office.

Because every vote counts to give the 12 Good Men a clear mandate to carry on the good work.
