

Since the the time I joined the Singapore Recreation Club (“SRC”) in 2022, I have seen the positive changes in SRC brought about by the purposeful and focused execution of the vision of the 12 Good Men.

I am currently serving as a sub-committee member in both (a) SRC’s Membership, PR and Engagement Sub-Committee and (b) SRC’s Legal & Constitution Sub-Committee. These appointments have allowed me to see the more granular details and issues of the implementation of these positive changes.

I believe and share in the vision of the 12 Good Men, but the work for the positive changes are far from complete.

I am a lawyer with more than 15 years of experience with a focus on real estate matters. I am hence running as a candidate under the 12 Good Men. If appointed, I seek to contribute with my experiences to help continue drive these positive changes.

If elected for this term, I also seek to -contribute more on SRC’s Membership, PR and Engagement Sub-Committee, by focusing on the continued good work to create a more diverse yet connected community, supported by programmes and membership experiences for SRC to be a club members truly enjoy being at and are proud to be a part of.
