

I joined SRC as a member in 1976, when it was a modest two-storey. In those days, club membership carried a certain prestige. I often brought clients and friends to dine and socialise at the club.

During the Club's redevelopment, we relocated to a temporary clubhouse along River Valley Road. It was a period of transition, but also one of renewal and growth.

Over the years, I have remained actively involved, serving on various sub-committees including Bowling, Golf, and Toastmasters. For the past four years, I have had the privilege of serving as F&B Chairman.

In this role, we have implemented significant changes to strengthen staff management and streamline procurement processes. These efforts have delivered strong results. Our annual F&B sales have grown from \$2.67 million in 2021 to over \$10 million in 2025.

For the past two years, I have also served as Vice Chairman overseeing Lifestyle, Human Resource, and Rules & Membership.

If elected, I intend to focus on Rules & Membership, an area I am deeply familiar with, having served on this subcommittee on several occasions before. I hope to play a constructive role in addressing members' concerns and resolving misunderstandings fairly and effectively.

Committee Member Elect,
Dayal Khemlani.
