

I had been a member of SRC since February 2022 .

Firstly I join the Security & Facility sub-committee in 2023 to 2024. Then I had the privilege of being invited to join the Management Committee in 2024.

My role in the Security & Facility Committee is to improve and update the software and Hardware of the club. We are implementing our Virtual Security System as well as our security at Entrances into our club to reduce Manpower and work efficiency .

I am also in the Transformation Committee looking into the Club upgrading .

In My Role as Security & Facility Chair, I aim to achieve these :

Modernization and rejuvenation:
Replacing aging and broken facilities with newer facilities like co working spaces, pickleball courts, and upgrade bars & cafes to attract more members.

Enhancing Community and Social Bonding;
Redesigning spaces to serve as community hubs that foster social interaction and bonding across generations.

Sustainability and Energy Efficiency:
Incorporating green technology like solar panels, energy-saving lighting and natural ventilation to reduce carbon emissions and achieve energy efficiency.

Improving Accessibility and Inclusion:
Designing Facilities with features that are accessible , inclusive and tailored to the needs of Seniors .

Optimizing Land Use:
Reconfiguring existing spaces to maximize utility such as converting underused spaces into multi purpose or higher demand facilities

Enhancing Lifestyle Offerings:
Expanding F&B options, Improving fitness and lifestyle amenities and providing specialized spaces for activities.
