

I have had the privilege of serving as Vice President of the 12 Good Men Management Committee for the past two terms, during which I gained a deep appreciation of how strong governance underpins a well-run and trusted club.

Building on this experience, I am standing for election as Chair of the Procurement Committee in the upcoming term under the 12 Good Men.

I am a firm believer that procurement is not merely an operational function, but a key governance responsibility that safeguards transparency, fairness, and value for our members. If elected, I will approach this role with diligence and integrity, ensuring that procurement processes are conducted responsibly, consistently, and always in the best interests of the club.

My commitment is to uphold clear governance standards, support informed decision-making, and work collaboratively with the 12 Good Men in the Management Committee to ensure that all procurement activities reflect the values and long-term sustainability of our sports & social recreation club.
