Our dress code is generally casual, except for the golf and members bar areas in Woodmead. We request that all members and visitors observe a basic golf dress code, including collared shirts, trousers or shorts with a belt, and appropriate footwear (golf shoes or takkies) when utilising the Mashie Course.

The Golf Department may determine that dress code is acceptable for playing the course. However, for the Woodmead and Rocklands courses, we enforce a strict golf dress code to maintain a high standard of appearance for all members while playing.

After 6pm, members and guests should be dressed in smart casual attire when visiting the members bar.

✓ **Use of Cash**
The Country Club Johannesburg is a cashless environment.

✓ **Smoking Areas**
Smoking is only permitted in designated smoking areas.
