## GUEST SPEAKER Master Su Yi

Master Su Yi specializes in guiding individuals and professionals through life's transitions by blending Chinese Metaphysics (Feng Shui, Bazi Life Analysis, etc) with practical advice. With a background as a clinical dietitian, she transitioned to Chinese Metaphysics after witnessing its positive impact on clients, helping them navigate career changes, personal struggles, leadership development, and business challenges. She holds a Master's in Nutrition and Dietetics and a Post-Graduate Diploma in Higher Education.
