Dear Member

## MINIMUM SPENDING SUBSCRIPTION (MSS)

To date, we have run two cycles of the minimum spending levy (MSL). Like any new policy that is introduced, there are members who have written to give in their full support and members who have also suggested areas desiring improvement.

### From MSL to MSS

The quarterly MSL will be renamed to Minimum Spending Subscription (MSS). The Club views this as a form of subscription payable by members and Rule 23 of the Constitution will be applicable.

Rule 23 states that:

*"The monthly Subscriptions for members shall fall due on the first day of each month and shall be such sum or sums as the Committee may determine from time to time."*

Please note that vouchers and credits usage cannot be applied on the MSS. However, the balance, if any, that is not paid by vouchers/credits but charged to your account will be included as part of the MSS.

We thank you for your continued support towards the Club. We will continue to look for new opportunities for collaboration, so that we can give you more spending options for the MSS.

Yours faithfully
