

FACILITY SWAP OF MAHJONG AND CARD ROOMS

As the Card Room is currently under-utilised and there is a healthy demand for mahjong, the Club will switch the venue for both rooms.

The current Mahjong Room will become the Card Room and vice-versa.

We will close both rooms from 30 to 31 May 2023, and re-open the rooms on 1 June 2023. When re-opened, we will have 4 automatic mahjong tables and 2 card tables for members to book and play.
