

TRANSFORMATION OF OASIS@PADANG, LEVEL 1

Dear Members,

We are excited to announce that Oasis@Padang has reopened after a much-anticipated renovation! You are warmly invited to visit and enjoy the refreshed space, with updated offerings and live band performances.

In addition, the previous Reading Room has been refreshed and transformed into a versatile, multi-purpose space now known as the new **Oasis Lounge**. Members can work, read, or relax during the daytime and enjoy food and drinks served from Oasis@Padang in the evening.

The Oasis Lounge will open its doors on **Fri, 8 November**, and we hope the enhanced experience brings added comfort and convenience to your time at the club.

Please note that from 5PM onwards, the Oasis Lounge will be accessible to patrons of the sports bar. We apologize in advance for any noise or disturbances this may cause during those hours.

Thank you for your understanding and continued support. We look forward to welcoming you back!
