

Announcement of Leadership Transition

The Management Committee wishes to inform members that Mr James Lee will be stepping down from his role as General Manager of the Singapore Recreation Club, with his last day of service scheduled for 15 March 2026.

During his time with the Club, James actively supported the Club's transformation projects, contributed to efforts aimed at improving operational efficiency, and led several major Club events focused on enhancing service quality and member engagement.

While his tenure with the Club has been relatively brief, we appreciate all his efforts and contributions and extend our best wishes to him in his future endeavours.

The Management Committee is working on interim arrangements to ensure a smooth transition and members will be updated in due course.
