

## **PRESIDENT'S CLARIFICATION TO MEMBERS**

Dear Members,

In the lead-up to our upcoming AGM, a video series and posts titled Vantage Gate Scandal Part 1 and Vantage Gate Scandal Part 2 , have been circulated online by a group identifying themselves as SRC Members Power. These videos contain statements about the Club and me that are untrue, misleading, and presented without proper context.

I would like to state clearly that the matters referenced in the videos have already been addressed through multiple official channels, including our Townhall sessions, the Club's website, and our social media platforms. Despite these efforts, erroneous statements continue to be repeated in an unfair and damaging manner.

The content of these posts is not only misleading but also defamatory. It undermines the integrity of the office of the President and, more importantly, risks eroding trust in the Club as an institution. As custodians of the Club, we have a duty to safeguard its reputation and ensure that members are not misled by incorrect narratives.

Accordingly, I have taken the necessary step of issuing a formal Letter of Demand to the individuals involved.

Let me assure members that every decision made has been guided by what we firmly believe to be in the best interests of the Club with careful consideration of financial prudence, governance responsibilities, and long-term sustainability.

I urge all members to rely on official Club communications for accurate information and not be swayed by unverified or one-sided accounts. At a time when unity and clarity are most important, let us continue to engage constructively and responsibly as a Club community.

Thank you for your continued trust and support.

Yours sincerely,

Chang Yeh Hong

President

Singapore Recreation Club
