## GM'S MESSAGE

Dear Members,

We are thrilled to share exciting updates on the Courtyard renovation! We understand that the ongoing construction might cause some temporary disruptions. However, please know that these inconveniences are essential for creating a significantly improved experience for everyone.

### Planning Your Visits:

To help you plan your activities, we have included the closure dates for impacted outdoor facilities below (subject to change):

s/n	Court Closure	Date	Remarks	Status
1	Full Hard-Court	17 Jan to 30 Jan	Footing Works	Completed
2	1 x Synthetic Grass Tennis Court	22 Jan to 28 Jan	Footing Works	Completed
3	Full Tennis Court	05 Feb to 04 Mar	Tennis Court Turf Replacement	In Progress
4	Full Hard-Court	04 Mar to 26 Mar	Hard Court Acrylic Coating	In Progress

### **Addressing Concerns:**

We understand that there are some concerns over the renovations, particularly regarding legality and heritage impact. We want to assure you that:

- We have consulted extensively with relevant authorities like the National Heritage Board (NHB) and Urban Redevelopment Authority (URA).
- Their confirmation ensures the renovations fully comply with regulations and do not affect the Padang's National Monument status or UNESCO World Heritage Site aspirations.

### **Transparency and Open Communication:**

We want you to feel confident in the legality and impact of these improvements. If you have any questions, please do not hesitate to connect with us.

Thank you for your patience and understanding. We are committed to keeping you informed and excited for the amazing new Courtyard coming soon!
