UPDATE ON GYMNASIUM RENOVATION

Dear Members,

We are putting the final touches in place as we get ready to welcome you back to a refreshed Gym on **Fri, 16 Oct 2026!**

The Gym has expanded into the former hot and cold pool area, creating more workout space, with new equipment arriving in approximately three weeks.

As this is a newly renovated space, members may notice some residual paint and wood odours during the initial reopening period. The team has put measures in place to minimise these odours as much as possible, and we appreciate your kind understanding during this time.

Thank you for your patience and understanding. We look forward to welcoming you back to our refreshed Gym. Let us move, sweat and grow stronger together!
